ZAYO COLOCATION

zColo offers carrier-neutral connections to cloud, IP, financial/low-latency, content, video and peering ecosystems. Reaching myriad networks via direct connections across its many interconnect-focused colocation facilities, zColo also extends beyond its footprint to reach all on-net buildings across Zayo's robust fiber optic network.

1525 Rockwell Ave offers Metro Interconnection options to 4 data centers within the Cleveland market. The facility provides carrier-neutral connectivity to 13 carriers.
